"EXPORT"-THE CHOICE OF THE SUCCESSFUL DRUMMER.

From the makers of world famous Pearl Drums comes the exciting new "Export". This dynamic wood shell creates a complete sound, from the heavy beat to the delicate tones, so necessary for today's versatile performer.

In response to the demands for a design that meets the requirements of the individually-minded drummer, the "Export" is constructed with an emphasis on ease of playing, durability, and power. Indispensable for the professional is the double brace legs feature of the "E-1522 Outfit". The ultimate in endurance and stability, assuring perfect straight sound.

We feel that the "Export" marks the appearance of a long-awaited drum set: one offered at a reasonable price yet with quality high enough to make it ideal for the tough action of any live performance.
