

PEARL INTERNATIONAL

KX-3000 SERIES

Pearl is proud to introduce...INTERNATIONAL. Designed for the novice with a taste for professional quality, sound, durability, and "looks", International gives you that "confidence" you expect from Pearl. Take a "close" look at International and you'll see why more and more drummers start on the road to success with Pearl's International than with any other drum kits in the world.

Pearl®

KX-22-5 Illustrated in No. 31 Jet Black Cymbals not included

PEARL INTERNATIONAL

Having the "needs" of today's drummers in mind, Pearl International is equipped with the highest quality to value features available.

TH-50 Tom Holder

"Independent Suspension System" provides maximum stability and flexibility and, by equipping each arm with Stop-Locks, positive positioning and instant resetting are assured.

KX-614 Snare Drum with S-700 Snare Drum Stand

KX-614 (5½ x 14 inch), featuring Pearl's unique "Fast-Action" Strainer, and S-700, with its compactness, nylon bushing at the joint and durable plastic sleeves insuring firm grip, are an uncompromising combination.

Bass Drum Spurs

Functional and efficient, Pearl's Spurs help prevent bass drum creep on any floor surface by their convertible Rubber/Spike tips.

H-700 Hi-Hat Stand and C-700 Cymbal Stand

H-700's "Direct-Pull" spring mechanism, nylon bushing at the joint, and an enlarged hi-hat cup with thicker felt make it the most advanced hi-hat in its class. C-700's compactness, playability, durability and simplicity provides perfect reliability while playing.

P-750 Foot Pedal

By adapting the mechanism of Pearl's most popular model P-800 "Wheel Drive Action" system, the new P-750 Pedal provides smooth, quiet and exceptionally fast action.

Optional Accessories

CX-300 Cymbals

Recommended for use with the International Series, Pearl's CX-300 Cymbals produce a variety of brilliant tonal colors with durability uncommon in this price range. Pearl's CX-300 Series Cymbals are available in Ride, Crash and Hi-Hat.

Model	Size	Weight and Types
322	22" = 56cm	Ride
320	20" = 51cm	Ride
318	18" = 46cm	Crash
316	16" = 41cm	Crash
314H	14" = 35cm	Hi-Hat

D-700 Drummer's Throne

D-700 is a compact drum throne offering 5 choices of height adjustment, unmatched stability and positive height retention.
