The Cap.

Setting-up, tearing-down, traveling, rehearsing or just hanging out, there's nothing like your favorite cap. This one's solid black, all cloth with a sewn on 100% embroidered Pearl logo patch with slogan, silver on black. Fully adjustable for most any size head with most any amount of hair and ready for the road.

The Bolo Tie.

From country to heavy metal, the bolo tie is in. This one's made from Pearl's new K-025 drum key, and yes it still can also be used to tune your drums. With this braided leather strap around your neck, you'll always know where your drum key is.

The Patch.

If you've got a favorite pair of jeans, or jacket, or bag or whatever, sew some Pearl I.D. on it. This is a 100% full embroidered patch about 2 1/2 x 4 1/2 inches in size. The background is solid black, everything else is silver.

The Key Ring.

Another neat use for the K-025 drum key. Held in a 100% leather case with screened Pearl logo the K-025 drum key can be removed when you need it, and it will be with the rest of your keys when you don't.

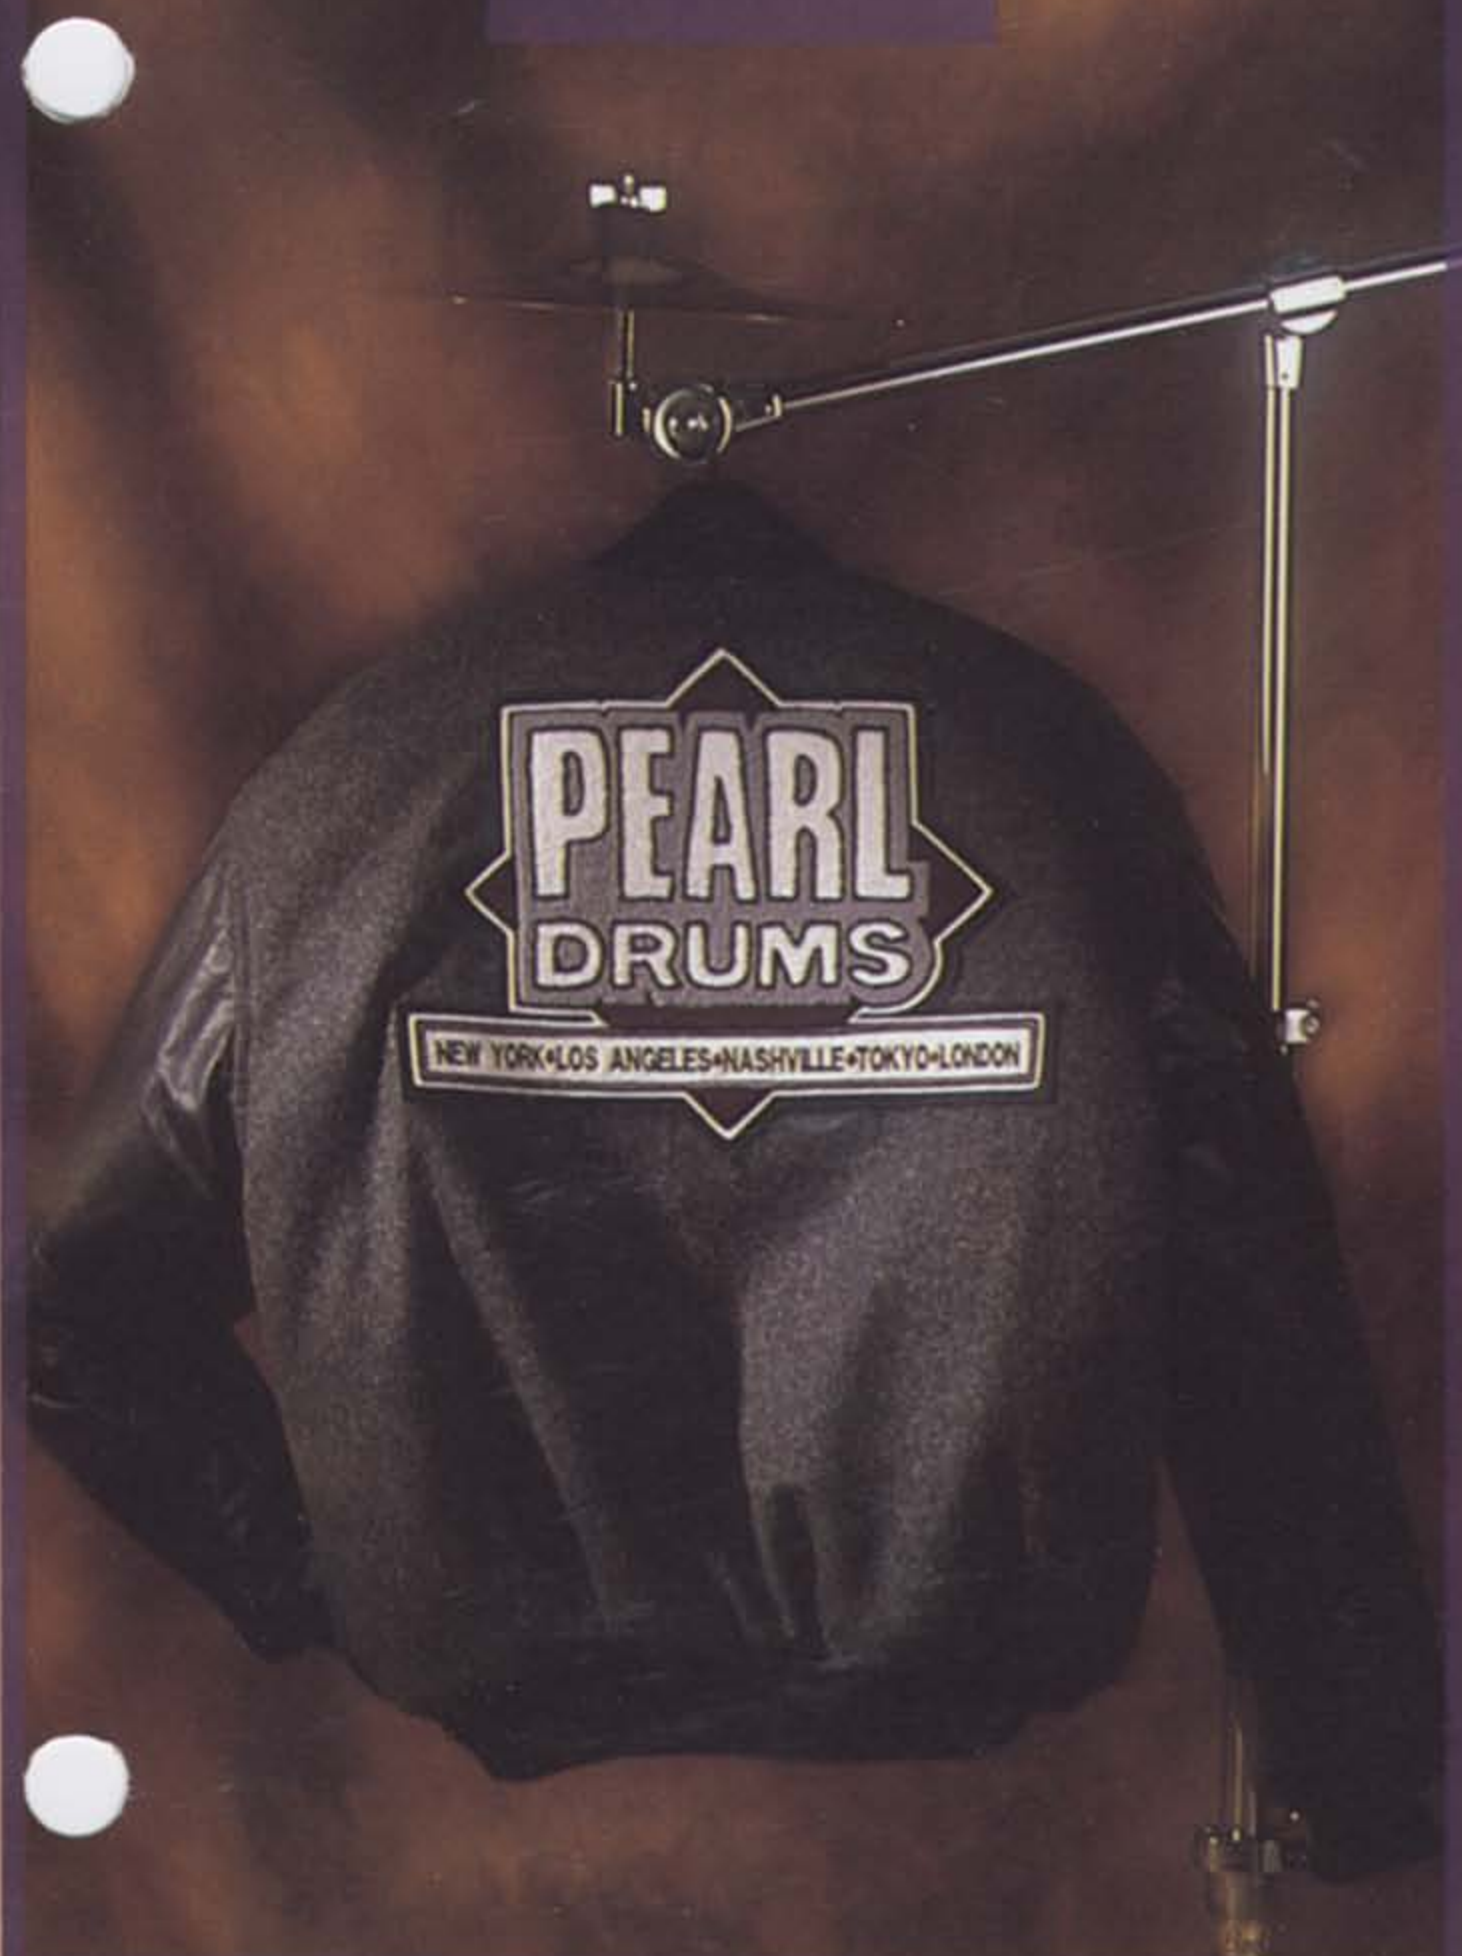

The Pin.

This is the classic Pearl double bass pewter pin. Actual size is roughly 1" x 1 1/4". A finely detailed piece with Pearl logos visible on both bass drum heads, the Pearl pin is ready for your favorite jacket.

We've taken a top quality black tee, acid washed it, added a full screen back in maroon, white, silver and black puff ink, and added a small Pearl logo in black on the front. This is absolutely one of the finest looking, most expertly done tee shirts you will ever see. This is Pearl Image Wear at its very best.
